

AWARENESS MEETING OF UGC-DAE CSR

On Utilization of In-house and Large Scale DAE Facilities

September 25, 2026 (Online Mode)

organized by

UGC-DAE Consortium for Scientific Research, Indore & Kalpakkam Centres

Department of Physics, Women's
Christian College, Chennai

&

Department of Physics,
University of Lucknow

PATRONS

Prof. Kaustubh Priolkar
Director, UGC-DAE CSR

Organizers

Dr. Rajeev Rawat
Centre Director,
UGC-DAE CSR, Indore
&

Dr. C. David,
Scientist-in-Charge,
Kalpakkam Centre

Convenors

Dr. R.J. Choudhary
ram@csr.res.in
UGC-DAE CSR, Indore
&

Dr. Shamima Hussain
sh@csr.res.in
UGC-DAE CSR, Kalpakkam

Local Hosts

Dr. Sharmi Kumar,
skumar@wcc.edu.in
Department of Physics,
WCC, Chennai.
&

Dr. Satendra Pal Singh,
singh_satendrapal@lkouniv.ac.in
Department of Physics,
University of Lucknow

About UGC-DAE CSR

The UGC-DAE Consortium for Scientific Research (UGC-DAE CSR), an Inter-University Centre established by the University Grants Commission (UGC), is primarily mandated to support the research endeavors of teaching faculty members using the DAE's large-scale facilities and the Consortium's in-house facilities. It has four Centres at Indore, Kolkata, Mumbai and Kalpakkam and a Node at Bhubaneswar.

We continue to sustain our flagship program, the Collaborative Research Scheme (CRS), which allows university and college faculty to utilize our in-house and the mega scale facilities of DAE.

About the workshop

UGC-DAE CSR, Indore & Kalpakkam Centres, Dept. of Physics, Women's Christian College, Chennai, and Dept. of Physics, University of Lucknow, are jointly organizing an awareness meeting on the utilization of advanced research facilities and some large-scale facilities of DAE across the different centres of UGC-DAE CSR. The workshop will address the concepts of the Collaborative Research Scheme through an interactive mode.

Who can attend

Researchers from all universities, affiliated colleges, and other institutes working in the fields of Physical, Chemical, Biological, and Engineering sciences are invited.

Tentative program

10:00 - 10:20: Welcome addresses

10:20 - 11:00: Activities with synchrotron beamlines at RRCAT and in-house facilities at Indore Centre

11:00 - 11:40: Activities with Neutron scattering & other BARC facilities and in-house facilities at Mumbai Centre

11:40 - 12:20: Activities with Cyclotron at VECC, Ion Beam Laboratory at the IOP, and facilities at Kolkata Centre

12:20 - 13:00: Experiments with the Ion Accelerator at IGCAR and in-house facilities at Kalpakkam Centre

13:00 - 13:30: Interactive session on Collaborative Research Scheme (CRS)

Register with local hosts by 20-09-2026 to receive a link.
