About UGC-DAE CSR

The UGC-DAE Consortium for Scientific Research (UGC-DAE CSR), an Inter-University Centre established by the University Grants Commission (UGC), is primarily mandated to support the research endeavors of teaching faculty members using the DAE's large-scale facilities and the Consortium's in-house facilities.

We continue to sustain our flagship program, the Collaborative Research Scheme (CRS), which allows university and college faculty to utilize our in-house and DAE mega science facilities.

About the workshop

UGC-DAE CSR, Kolkata Centre, and Department of Botany, Rajiv Gandhi University, Rono Hills, Doimukh-791112, Arunachal Pradesh, India are organizing an awareness meeting at RGU Campus on 24th – 25th August 2026. This workshop aims to create awareness on the utilization of advanced research facilities through different centers of UGC-DAE CSR and some large-scale facilities of DAE. The workshop will address the concepts of the Collaborative Research Scheme through an interactive mode.

Who can attend

Researchers (Faculty as well as research scholars) from Eastern & North Eastern Indian Universities, affiliated colleges, and other institutes working in the fields of Physical, Chemical, Biological, and Engineering Sciences are invited. Local hospitality and limited travel support would be extended.
